Financial Status Pending
Parents efforts come and not explain financial problem & give the letter. Affix that he is regular. Hameed Khan

~~To HOD~~

STUDENT COUNSELLOR.

Met the student with family in the EC Dept. They finally came after many many calls from department. Class teacher, mentor, counsellor co-ordinator, HOD and Student Counsellor were present.
Found out real issue of student & family was financial concerns. They are from AP but shifted to Bangalore (Pirvam) for the son.
Father is a fruit seller, going house to house, therefore finding fees payment difficult. Paid initially only a small amount. They have mentioned they needed [illegible] for yearly fee payment.
Student is interested in Engineering but due to condition at home, not very motivated.
Have mentioned to student that his performance has to improve and be consistent irrespective of conditions.
Consideration for helping is advised to management so that we do not lose an interested student.

19/11/18.
