

HKBK COLLEGE OF ENGINEERING

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Road Map to Clear GATE-2025

The Department of Electronics and Communication Engineering organized a eye opening seminar on "*Road Map to Clear GATE-2025*" for 4th and 6th semester students in B304 at 10:45 am and 10:00 am respectively on 30th April 2024. Total 61 students from 6th semester and 58 students from 4th semester participated in this seminar.

OUTCOME

Enhanced Understanding: The seminar provided students with a comprehensive understanding of the GATE-2025 examination pattern, syllabus, and important topics. This clarity will help them prepare more effectively for the exam.

Strategic Planning: Through the seminar, students gained insights into effective study strategies and time management techniques tailored specifically for GATE preparation. They now have a clear roadmap to plan their preparation in a structured manner.

Motivation and Confidence Boost: Engaging sessions and interactive discussions during the seminar helped boost students' motivation and confidence levels. They are now more determined and self-assured about their ability to crack the GATE exam.

Access to Resources: Students were introduced to various resources such as study materials, reference books, online platforms, and mock tests that can aid them in their preparation journey. They now have access to a wide range of tools to enhance their learning experience.

Feedback

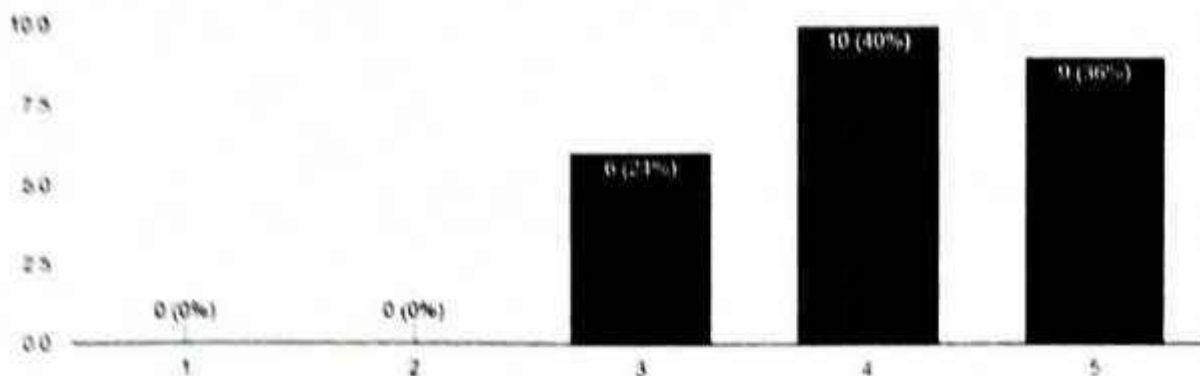

How effectively did the presenter outline the key milestones and preparations required for GATE-2025?

25 responses

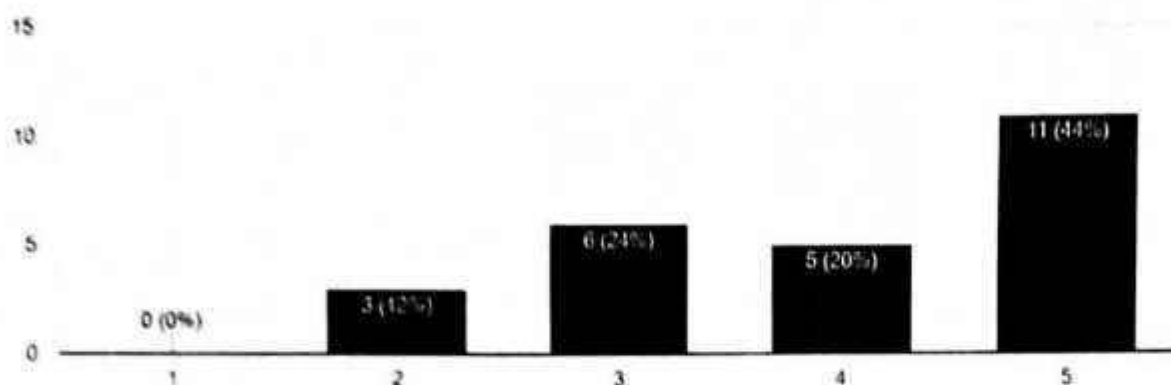

Were the strategies provided by the presenter for managing time during GATE preparation clear and actionable?

25 responses

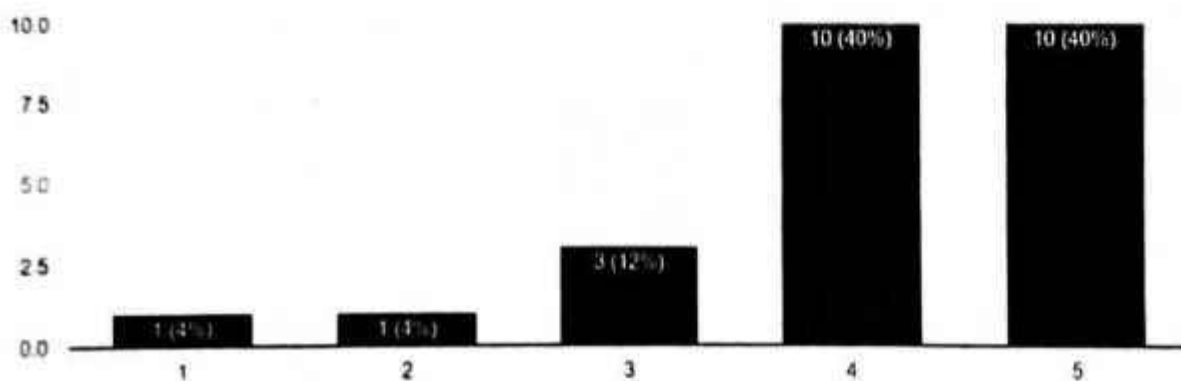

Did the seminar adequately address the importance of mock tests and previous years' question papers in GATE preparation?

25 responses

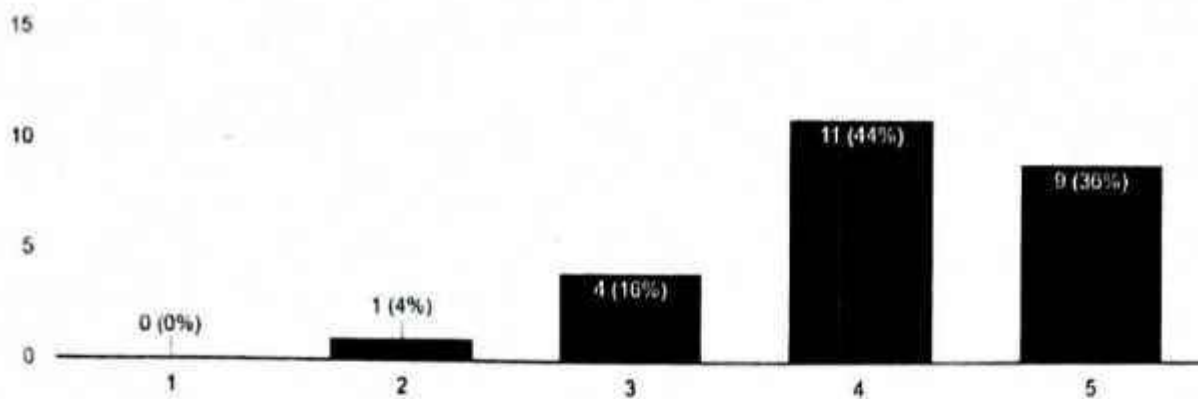

How well did the presenter address the challenges that might be faced during GATE preparation and provided solutions for them?

25 responses

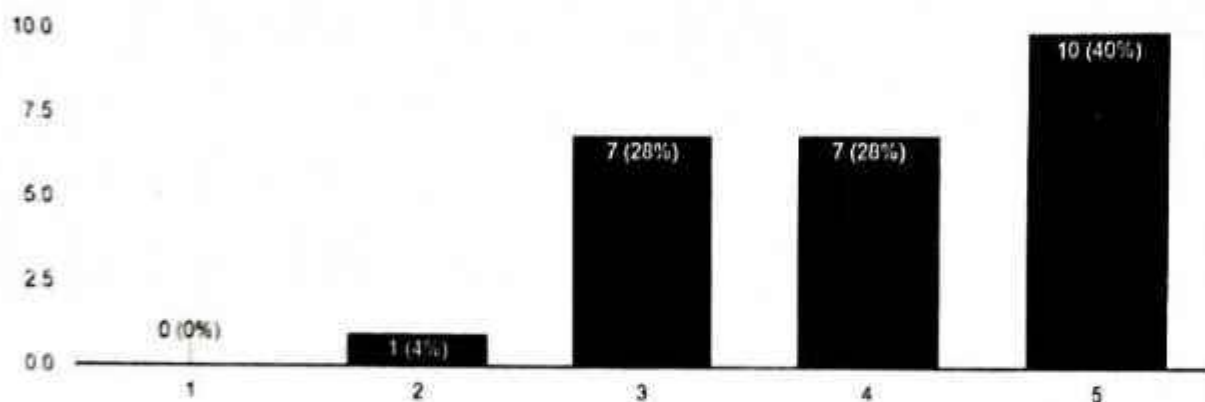

Were the resources recommended by the presenter for GATE preparation comprehensive and suitable for all subjects?

25 responses

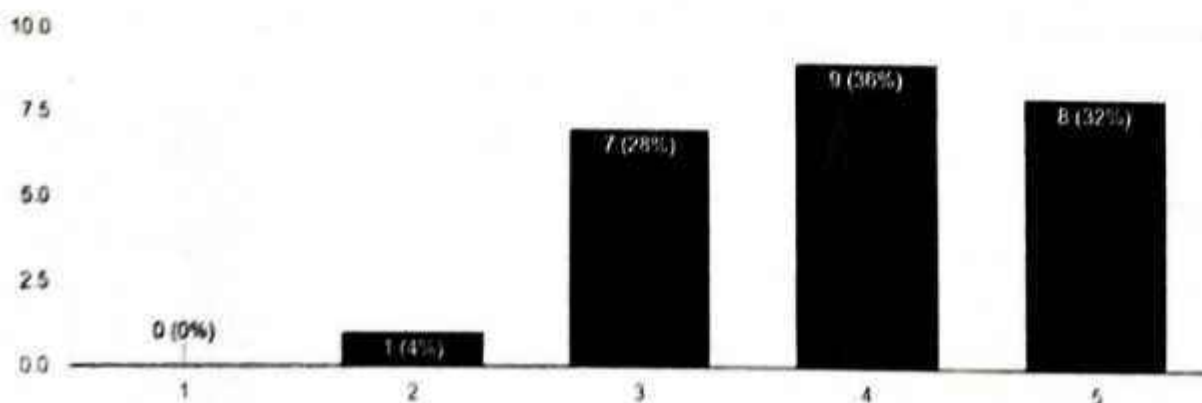

How engaging and interactive was the presentation style of the speaker?

25 responses

Did the seminar provide sufficient clarity on the various streams and specialization options available in GATE?

25 responses

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Workshop on "Exploring Opportunities to Study Abroad"

The Department of Electronics and Communication Engineering in association with GoStudy organized a offline workshop on "Exploring Opportunities to Study Abroad" on Monday, 12th February 2024 from 10:30 am to 12:30 pm at ISE seminar hall. The target audience were fifth semester students. 105 students participated in this workshop. The workshop aims to enlighten students about the various opportunities available for higher education in foreign countries, including admission processes, scholarship options, academic programs, and other relevant aspects. By attending this workshop, students can gain insights into the benefits and challenges of studying abroad, enabling them to make informed decisions about their academic and professional futures.

Objectives:

- To introduce students to the benefits of studying abroad.
- To provide information about different study abroad programs and destinations.
- To guide students through the application and selection process.
- To offer resources for funding and scholarships.

Content:

- Introduction to Studying Abroad
- Choosing a Destination and Program
- Application and Admission Process
- Financial Planning
- Cultural Awareness and Adaptation
- Health and Safety Abroad
- Post-Study Abroad Opportunities
- Q&A and Panel Discussion

A REPORT ON
EXPERT TALK ON CAREER GUIDANCE - AY 2022-23
ON
04/10/2023 @11:30 AM

IN ASSOCIATION WITH

Red Hat
Academy

PRODEVANS

On 04/10/2023, ProDevans a leading professional development organization, conducted a career guidance expert talk for first and final years students of HKBK College of Engineering in association with CADET club and ISTE in collaboration with RED HAT ACADEMY and PRODEVANS. The aim of the event was to provide students with valuable insights, guidance, and resources to help them make informed decisions about their future careers. The event started with formal inauguration by guest of honors Mr. Tausif sheikh (Training Head, Prodevans) and Beulah John (BDM, Prodevans) with the presence of Principal, IQAC head and HOD's of all engineering departments. Mr. Tausif explained the current expectation of company's by listing the clients of their organization with the skill set for the recruitment. The program was carried out for effective 1 hour duration.

He gave a brief introduction about what Engineering is, and how an Engineer plays a vital role in various fields. He explained about various opensource tools provided by RED HAT Academy with the learning accessibility to students followed by certification courses for career enhancement. The session was very interactive and motivated students to acquire their dream offers with a favorable pay.

Objectives:

- To provide students with information about various career options and industries.
- To help students identify their strengths, interests, and career goals.
- To offer guidance on developing essential skills for career success.
- To inspire students to pursue their passions and aspirations in their chosen fields.
- To connect students with industry experts and professionals for networking opportunities.
-

Key Highlights:

- **Expert Presentations:** Mr. Tausif delivered engaging presentations on topics such as emerging career trends, skill development, and career planning strategies.
- **Interactive Sessions:** The event featured interactive sessions where students had the opportunity to ask questions, share their experiences, and seek personalized advice from the experts.
- **Networking Opportunities:** Students had the chance to network with the speakers and other professionals during breaks and networking sessions, fostering valuable connections and opportunities for mentorship.
- **Resource Materials:** ProDevans provided resource materials such as career guides, industry reports, and skill development resources to help students further explore and plan their career paths.

GLIMPSES OF THE EVENT

Honouring the guests Ms.Beulah and Mr.Tausif Sheikh

Exchange of MOU between Prodevans and HKBK college of Engineering

Outcomes:

- **Increased Awareness:** Students gained a better understanding of various career options and industries, helping them make more informed decisions about their future careers.
- **Enhanced Self-awareness:** Through self-reflection activities and guidance from experts, students gained insight into their strengths, interests, and career goals.
- **Skill Development:** Students learned about the importance of developing essential skills for career success and were equipped with resources to support their skill development journey.
- **Networking Connections:** The event provided students with valuable networking opportunities, enabling them to connect with industry experts and professionals for mentorship, advice, and potential career opportunities.
- **Inspiration and Motivation:** Students were inspired and motivated to pursue their passions and aspirations, knowing that they have the support and guidance needed to succeed in their chosen fields.

The career guidance expert talk conducted by ProDevans was a resounding success, providing college students with valuable insights, guidance, and resources to support their career development journey. Through expert presentations, interactive sessions, panel discussions, networking opportunities, and resource materials, students were empowered to make informed decisions about their future careers, develop essential skills, and pursue their aspirations with confidence. ProDevans remains committed to supporting students in their professional growth and looks forward to organizing similar events in the future.

A REPORT ON
CAREER COUNSELLING ON STUDY ABROAD
AY 2023-24
ON
05/04/2024 @ 10:45 AM

IN ASSOCIATION WITH

On 5th April 2024, career counselling on opportunities for study abroad was conducted at ISE Seminar Hall for the 8th semester Information Science and Engineering students. The event began with an inaugural ceremony marked by a warm welcome extended to all attendees by the organizing committee with esteemed presence of Mr. Prasad Shetty (Area Manager), Ms. Poornima Sugumar from Unischolars.

Career counseling for studying abroad involves assisting individuals in making informed decisions about their academic and professional paths in international contexts. Speaker explains the key aspects of career counseling for studying abroad:

1. Assessment and Goal Setting:

- Career counselors start by assessing the individual's interests, skills, values, and career goals.
- They help students understand how studying abroad can align with their career aspirations and personal development.

2. Application Process Support:

- Counselors assist students in preparing their application materials, such as resumes, essays, and recommendation letters.
- They provide guidance on standardized tests like TOEFL, IELTS, GRE, or GMAT, which may be required for admission.

3. Career Development and Networking:

- Counselors help students explore career opportunities in their field of study and destination country.
- They facilitate networking opportunities, connect students with alumni or professionals in their industry, and provide career workshops or internships abroad.

The program was carried out for effective 1hour duration. All the students were highly motivated and enlightened about various opportunities after completing their Course. It was a very informative day for the students and faculty members who attended the session.

Objectives:

Self-Exploration: One of the primary objectives of career guidance is to help individuals explore and understand themselves better. Self-assessment by identifying an individual's interests, values, skills, personality traits, and motivations. Self-exploration process enables individuals to gain clarity about their strengths, weaknesses, and areas of passion, which in turn guides their career decisions.

Goal Setting and Planning: Setting realistic and achievable career goals is another crucial objective of career guidance. Individuals identify short-term and long-term career objectives based on their self-assessment and career exploration. They guide individuals in creating a roadmap to achieve their goals by breaking them down into actionable steps. Through strategic planning, individuals can navigate their career paths effectively and stay focused on their objectives.

Personal and Professional Growth: Another objective of career guidance is to foster personal and professional growth. Encourage individuals to continuously develop their knowledge, skills, and competencies. They provide resources, such as workshops, networking events, and mentorship opportunities, to support individuals in their growth journey. By promoting ongoing learning and development, career guidance ensures individuals stay competitive and adaptable in the evolving job market.

Outcomes:

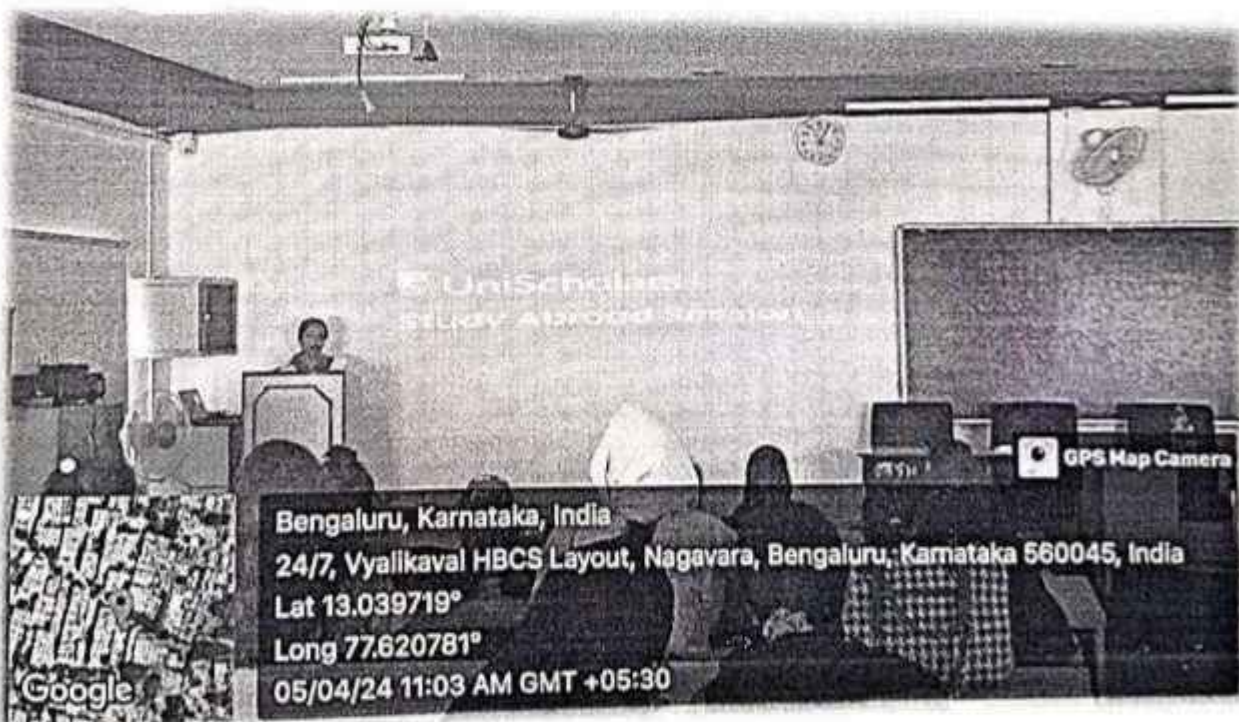

1. Promote emotional well-being and resilience
2. Ensuring students maintain a healthy work-life balance during their study abroad journey
3. Evaluation of your personality traits, skills, and interests.

The guidance by Ms. Poornima proved to be an enlightening and enriching experience for all students. The event concluded with a vote of thanks extended to Mr. Prasad Shetty and Ms. Poornima for their valuable insights and to all participants for their active participation.

Sub: Request to Conduct Seminar on Career and Higher Education Options After Graduation

Respected Mam,

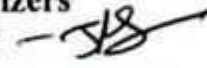

I am requesting your approval to conduct a seminar on "Career and Higher Education Options After Graduation," focusing on CAT, GMAT, GRE, and other competitive exams. This seminar is planned for pre-final year students on 15.07.2024 at 10:30 am in B304, aims to equip students with insights into various career paths, the importance of aptitude tests, and effective preparation strategies.

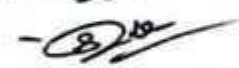

Thank You,

Your sincerely,

11/7/24

Dear Sir,

Greetings From T.I.M.E!

I hope this email finds you in good health. I am writing to you on behalf of **TIME Education**, a renowned educational institute specializing in competitive exam preparation. We have recently conducted several successful seminars and workshops across colleges in the region, aiming to empower students with valuable information and guidance for their future endeavors.

We would like to conduct a seminar on "**Career/Higher Education Options After Graduation**", please find the proposal with respect to "Seminar at HKBK College of Engineering on **CAT, GMAT and GRE**". We are pioneers and have been training aspirants for various entrance exams for the last 30 years and have been successful in placing them in their dream institutes.

We truly believe that preparation for a competitive exam requires the right mentoring and the right tools to create success stories and that is where we stand out as an institute. It would be our prerogative to help your students reach higher echelons of SUCCESS.

About Seminar

Objective of this seminar is to make students aware of career/ higher education options after graduation in India and abroad. Intention of the seminar is to educate students about the importance of setting goals & realizing their dream through an awareness of preparation details & techniques.

Objective of the Seminar

To conduct a seminar on career options at your esteemed college focusing on

- How to handle an Aptitude Test and its importance
- Insight about the National and International level Management Examination.
- B school Selection

- Tips to crack Personal Interview and Group Discussion
- Job prospects post MBA

We look forward to your kind cooperation in our attempt.

Thank you for your attention, and we appreciate your support in enriching the educational experience of your students.

Warm regards,,

Charan J S

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Seminar on "Career and Higher Education Options after Graduation"

The Department of Electronics and Communication Engineering in association with TIME Pvt Ltd organized a offline seminar on "Career and Higher Education Options After Graduation" on Monday, 15th July 2024 from 01:30 pm to 2:30 pm at B304. The target audience were sixth semester students. 67 students from all three sections participated in this Seminar.

The seminar aimed to empower students at HKBK College of Engineering by providing valuable insights into career and higher education opportunities post-graduation. The session focused on preparing students for competitive exams like CAT, GMAT, and GRE, with an emphasis on:

- Handling aptitude tests effectively and understanding their significance.
- Gaining knowledge about both national and international management examinations.
- Developing strategies to excel in personal interviews and group discussions.
- Exploring job prospects and opportunities.

This seminar sought to inspire students to set clear career goals and equip them with the necessary information and tools to achieve their aspirations.

Resource Person

Mrs. Vijayalakshmi Venugopalan, Senior Verbal Faculty TIME Bangalore, 9739951296

Masters in English from Annamalai University with BEd , she has got a rich experience of 23 years in teaching . She is one of the key personalities in TIME who is responsible for transforming the careers of thousands of students with her great teaching methodology . In TIME Bangalore she has completed 14+ years .Other than teaching VARC, She is also accountable for the material development of TIME , SOP guidance to MBA aspirants of Top Business Schools, India and Abroad and also is responsible for grooming students with respect to Group discussion, Personal Interview and WAT training.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Career Guidance Report

Organized by: Department of Computer Science and Engineering in association with Placement and Training Department
Dates: 9th and 19th November 2024

The Department of Computer Science and Engineering, in collaboration with the Placement and Training Department, successfully organized an offline "Career Guidance" program on 9th November 2024 and 19th November 2024. The program was specifically designed for final-year students from all departments, with a primary focus on those from the Computer Science and Engineering (CSE) department. A total of 174 students from the CSE department actively participated in this training initiative.

Objectives:

1. Conduct mock interviews to prepare students for placement opportunities.
2. Facilitate registration on Superset and Cognivo platforms, ensuring students are well-prepared for recruitment processes.
3. Aim to achieve 100% placement for final-year students.

Resource Persons:

1. **Mr. Paul Ebinesar**
Email: paulebinesar@gmail.com
2. **Mr. Shayan**
Email: shayan.exclusive@gmail.com

This program provided invaluable guidance and hands-on practice, helping students build confidence and enhancing their readiness for professional challenges. The department remains committed to supporting students in achieving their career aspirations.
