

## 7.1.1 Specific Facilities for Women

### 1 - Safety and Security

The campus of the institute is equipped with the various facilities to provide a safe and secure environment for women. The Institution has installed around 124 high quality CCTV cameras all over the campus and inside the class rooms to monitor and ensure the safety of students as well as staff. Adequate security personnel including ladies security staffs are hired to monitor and control unauthorized people's entry and movement in the campus.

### 1. Counseling

The institute has well-defined students counselling system. The responsibility of student mentor includes **counselling** of the student as and when he/she shows signs of negative behavioural changes and inter-personal skills. The institute has appointed two full time student counsellors. The lady counsellor's services are primarily extended to women students and staff. This helped to ensure mental well-being of students through psychological and emotional counselling.
