## Action Taken Report 2022-23

The suggestions received through the feedback were promptly discussed by the IQAC members.

Since the institution is an affiliated college, it is bound to abide by the curriculum formulated by the university. Many effective suggestions have been put forward to improve the curriculum delivery at the institution.

Sl. No.	Particular	Action taken
1	Students provided feedback on various issues like professional challenges, relevance of the textbooks, magnitude of the syllabus, internships, facilities and cognitive growth.	Based on the feedback given by the students, IQAC has advised <ul style="list-style-type: none"><li>To organize interaction/ talks by the industry experts.</li><li>Technical and soft skills training, mock interviews by all the departments.</li><li>To conduct workshops on time and stress management.</li><li>To procure the relevant textbooks for the new courses and make them available to the students.</li><li>MOUs to be signed to facilitate internships.</li><li>Facilities to be improved in the campus.</li></ul>
2	Teachers suggested on the design of curriculum for student employability and the future socio-economic needs.	Based on the feedback given by the teachers, IQAC has advised <ul style="list-style-type: none"><li>To increase the value-added courses, guest lectures, SDPs and FDPs by all the respective departments.</li><li>To conduct programs in collaboration with the students to work on socio-economic needs.</li></ul>
3	Alumni suggested on value-based learning and professional skills.	Based on the feedback given by the alumni, IQAC has advised <ul style="list-style-type: none"><li>To increase the value-added courses in all the departments</li><li>Talks and interactive sessions by industry experts and placement department.</li></ul>
4	Employers suggested on the relevance of the courses with respect to the industry demands/ standards and self-learning, improvement in the curriculum to enhance employability.	Based on the feedback given by the employers, IQAC has advised to urge the students to register for the NPTEL and MOOC courses, so as to acquire credits to aim for a Honors degree in engineering.
