

7.1.1 Specific facilities provided for women

Safety and Security: The campus of the college is equipped with the various women-friendly facilities to provide a safe and conducive environment for women. The Institution has high quality CCTV cameras installed all over the campus to track the activity of every student thus ensuring their safety inside the campus. Adequate security staffs are available in the college 24/7 throughout the campus and in hostel that make sure no untoward incident takes place in the campus. The Institution has a special cell called COLLEGE INTERNAL COMPLAINTS COMMITTEE - CICC through which it addresses the student's grievances related to academic and non-academic matters, such as assessment, victimization, harassment by colleague students or teachers and sexual harassment. The institute has set up the CICC as per the guidelines of university and AICTE. This cell is headed by senior woman faculty member.

Common Room: The institution provides the common room area used by all ladies faculty members and girl students. It provides the calm and safe area for female staff and students to relax. The common room includes rest room, discussion table, dressing room, napkin vending machine and napkin destroyer.

Counselling: Students counselling department is established which is headed by professional and qualified counsellor. The CICC members provide the special support to department in dealing the girl and women issues.
