HKBK College of Engineering
Training and Placement Cell

ANNUAL REPORT 2016-2017

INTRODUCTION:

The Training and Placement Cell is an effective institutional arrangement primarily aimed to train and place our final year students. The academic year 2016-2017 has been another eventful and landmark year for the Training and Placement Cell.

This year we had 21 Companies, which came forward to recruit our students

TRAINING AND DEVELOPMENT:

External Training Sessions:

Enhancing our students' skills and talents is equally important as imparting education. Hence, keeping this as our primary motive the TPC organized various training programs for the final year batches.

Step-up Training; Bangalore based company, trained our final year batches on Soft skill and aptitude, self-confidence and communication skills. This training was exclusively done in order to prepare our students to face interviews with more confidence and to be aware of the ethics that needs to be followed in the corporate world.
