ABOUT US

HKBK College of Engineering was established in 1997 by Sri C M Ibrahim, with a mission to provide the best possible education experience through excellence in teaching and research activities. The college is affiliated to Visvesvaraya Technological University, and Approved by All India Council for Technical Education, New Delhi and recognized by the Government of Karnataka. Acclaimed as one of the best equipped institutions.

HKBKCE in a relatively short span of time, has earned a name as one of the premier institutions in the country imparting world class technical education. Our objective is to train and equip every student with skills to excel in academics and emerge as competitive and efficient professional Engineers.

HKBK College of Engineering offers six UG course in various disciplines (CSE, ISE, ECE, EEE, ME, Civil Engineering) and PG course in MBA. The College has signed MOU's with a number of Organizations to provide world-class quality training staff and students. Located opposite to Manyata Tech Park. The campus presents a serene and scholastic atmosphere away from the glamour of the city. Spread over 17 acres of greenery with an impressive infrastructure built over an area of two Lakh Sq. ft encompassing six buildings.

DEPARTMENT of ECE

The Department of E & C, offers one Bachelors and one master program. It has well qualified, passionate and research oriented faculty. The areas of research include Nanotechnology, Image Processing, Communication, control & optimization using soft computing.

The Department attracts the best of students from all part of India. It has an MOU with various companies that supports interdisciplinary projects. The Department has more than 28 staff members who encourage the students to take up mini projects and participate in various seminars/ paper presentation contests.

AIM OF THE SDP

The main objective of the STTP is to train the students in field of Communication. GSM is a globally accepted standard for digital cellular communications. It aims to provide a comprehensive introduction to GSM and GPRS, describes the services, structure and operation of a GSM mobile network.

- Explain how they support circuit switched voice and packet switched data traffic.
- How roaming is supported for both GSM and GPRS
- Will know the architecture, interfaces and radio link features in GSM systems
- Will know the planning, design and management of GSM networks.

Resource Person

Mr. Vaqas Umair

Presents

Value added course

ON

Technical skill development program on CATIA, SOLIDWORKS, and HYPERMESH
organized with

ENCADD SOLUTIONS in collaboration with ENPOWER info solutions, Bengaluru.

FROM MARCH 2018 TO MAY 2018

The courses at ENCADD SOLUTIONS have been designed by industry experts to suit the needs of both the students and the college at large. Flexible time schedules and student friendly course design, makes it simple and easy. The course fees are affordable and reasonable keeping in mind that ENCADD believes in hiring the best and branded trainers from reputed institution and industry.

Who can attend: Students of final and pre final year interested in Designing and wanting to make carrier in Design and Manufacturing Industries.

Staff coordinator: Prof. Nadeem Pasha K

CONVENOR: Mr. SHIVA KUMAR K

Respected Sir,

Sub : Course completion letter

With reference to the above subject we have completed Digital Marketing training. Awaiting for the approval of examination from your side. The details of the training are as follows. Kindly do the needful.

- Digital marketing training conducted for 32 students.
- Application received from the students.
- Batch started on 02.05.2018. Ended on 25.05.2018.
- Attendance register maintained.
- 35 Hrs. training conducted.
- Both theory and practical oriented training conducted.
- Feedback taken from the students - Students have marked excellent for the quality of teaching and other aspects. Overall feedback of the attended students is very good and they are looking for advanced training on Job oriented courses.

ABOUT US

HKBC College of Engineering was established in 1997 by Sri C M Ibrahim, with a mission to provide the best possible education experience through excellence in teaching and research activities. The college is affiliated to YVESWARAYA Technological University, and Approved by All India Council for Technical Education, New Delhi and recognized by the Government of Karnataka. Acclaimed as one of the best equipped institutions.

HKBCCE in a relatively short span of time, has earned a name as one of the premier institutions in the country imparting world class technical education. Our objective is to train and equip every student with skills to excel in academics and emerge as competitive and efficient professional Engineers.

HKBC College of Engineering offers six UG course in various disciplines (CSE, ISE, ECE, EEE, ME, Civil Engineering) and PG course in MBA. The College has signed MOU's with a number of Organizations to provide world-class quality training staff and students. Located opposite to Manyata Tech Park. The campus presents a serene and scholastic atmosphere away from the glamour of the city. Spread over 17 acres of greenery with an impressive infrastructure built over an area of two Lakh Sq. ft encompassing six buildings.

DEPARTMENT of ECE

The Department of E & C, offers one Bachelors and one master program. It has well qualified, passionate and research oriented faculty. The areas of research include Nanotechnology, Image Processing, Communication, control & optimization using soft computing.

The Department attracts the best of students from all part of India. It has an MOU with various companies that supports interdisciplinary projects. The Department has more than 28 staff members who encourage the students to take up mini projects and participate in various seminars/ paper presentation contests.

AIM OF THE SDP

The main objective of the SDP is to train the students in various programs of Engineering.

The Computer networks support many applications and services, such as access to the World Wide Web, digital video, digital audio, shared use of application and storage servers, printers, and fax machines, and use of email and instant messaging applications. This platform will provide opportunities to widen their job opportunities. This program will enable the participants to understand the simulation of various wireless sensor network protocols and their analysis.

This program helps the students to explore various application areas of computer such as banking, education, industries, entertainments, hospitals, data processing etc. Computer is a very effective tool which can be used for teaching and learning, result processing, student data processing, question preparation, handouts and note preparation etc.

Four day SDP on "Computer Networks and its Applications"

Day	Date	Time	Topic Covered
Day 1	14.02.2019	08.30-10.15	Basic network concepts: Communication modes, devices used to build the network
		10.15-10.30	Tea Break
		10.30-12.30	Network Standards by OSI
		12.30-01.00	Lunch Break
		01.00-03.00	TCP/IP model
		03.00-03.15	Tea Break
Day 2	15.02.2019	03.15-04.30	Topologies, media access protocols CSMA/CD
		08.30-10.15	TCP/IP services DHCP, DNS, FTP, TELNET
		10.15-10.30	Tea Break
		10.30-12.30	Classful Addressing, Classless Addressing
		12.30-01.00	Lunch Break
		01.00-03.00	Network devices Routers, Switches, Firewalls
Day 3	16.02.2019	03.00-03.15	Tea Break
		03.15-04.30	Virtual LANs
		08.30-10.15	IP Addressing IPV4 & IPV6
		10.15-10.30	Tea Break
		10.30-12.30	Email Configuration
		12.30-01.00	Lunch Break
Day 4	18.02.2019	01.00-03.00	Wireless Configuration, authentication
		03.00-03.15	Tea Break
		03.15-04.30	Wireless Security
		08.30-10.15	Verifying UDP packet through DNS, Access Control List
		10.15-10.30	Tea Break
		10.30-12.30	Network Address Translation, Static, Dynamic and PAT (Port Address Translation)
		12.30-01.00	Lunch Break
		01.00-05.00	Industrial visit to Jetking Sadashivnagar

Monday, 18 February 2019

To,
The Principal
HKBK College of Engineering
Bengaluru.

Respected Sir,

Subject: Students' field visit to our center

This is to inform your kind self that 48 students from department of Electronics & Communication have attended a Three Days of "Hands-On Workshop" on "Computer Network and Applications" at your esteemed institution and One day of Field Study on "Data Center" at our premises.

Three of their professors namely –Prof.Hussain Ahmed , Prof. Zahira Tabassum, Prof. Syeda Husna Mohammadi , Prof Sufia Banu and Prof. Khameer Fathima accompanied the students'.

We look forward for long and fruitful association in the coming years.

Thanks & Regards,

Anushrita Nino

HODEC

HKBK COLLEGE OF ENGINEERING

DEPARTMENT OF ECE

Student Development Program on COMPUTER NETWORKING in association with JETKING on 14th -18th February 2019.

Venue: VLSI Lab

Timings: 8:30 AM to 4:30 PM

The Electronics and Communication Department of HKBKCE organized a four day student development program on Computer Networking for 5th semester 'B' section students.

The resource person was a technical expertise from Jerking. The concept of networking was introduced to the students followed by hands on. In that students learnt how the CISCO packet tracer software was used. A hand on to that software was done.

The topics to be covered on each day were pre-scheduled and hence the same were implemented .A positive response from the students was noticed. Test was conducted and the results of the test indicated that the concept of computer networking was successfully delivered to the students.

On the 4th day students were taken to the JETKNG institute and hardware components were shown. Few glimpses of the SDP as shown below.

Chief Patron

Mr. C.M. Ibrahim, Chairman, HKBKCE, Bangalore.

Patrons

Mr. C M Faiz Mohammed, Director, HKBKCE, Bangalore.

Chief Advisor

Dr. Muzzamil Ahmed S, Principal, HKBKCE, Bangalore

Convener

Prof. Hussain Ahmed, HOD, ECE, HKBKCE, Bangalore

Coordinators

Prof. Syeda Husna Mohammadi, Asst. Professor, ECE
Email: syedahusna.ec@hkbk.edu.in

Prof. Naazneen M G, Asst. Professor, ECE

Email: mohammedn.ec@hkbk.edu.in

Topics to be covered

- Introduction to GSM.
- GSM Network Architecture
- International Roaming
- Roaming Interfaces
- Roaming Management Task
- GSM Channels
- Roaming Launch Process

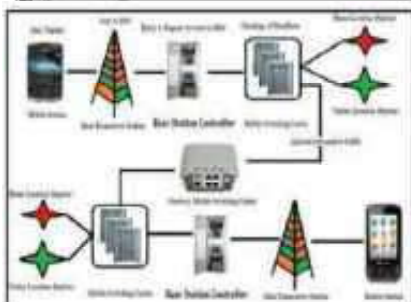

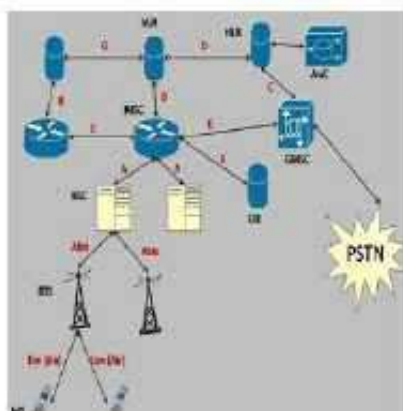

IMPORTANT DATES

Last date for registration : **13.02.2019**

Commencement of STTP : **16.02.2019**

ABOUT US

HKBK College of Engineering was established in 1997 by Sri C M Ibrahim, with a mission to provide the best possible education experience through excellence in teaching and research activities. The college is affiliated to Visvesvaraya Technological University, and Approved by All India Council for Technical Education, New Delhi and recognized by the Government of Karnataka. Acclaimed as one of the best equipped institutions.

HKBKCE in a relatively short span of time, has earned a name as one of the premier institutions in the country imparting world class technical education. Our objective is to train and equip every student with skills to excel in academics and emerge as competitive and efficient professional Engineers.

HKBK College of Engineering offers six UG course in various disciplines (CSE, ISE, ECE, EEE, ME, Civil Engineering) and PG course in MBA. The College has signed MOU's with a number of Organizations to provide world-class quality training staff and students. Located opposite to Manyata Tech Park. The campus presents a serene and scholastic atmosphere away from the glamour of the city. Spread over 17 acres of greenery with an impressive infrastructure built over an area of two Lakh Sq. ft encompassing six buildings.

DEPARTMENT of ECE

The Department of E & C, offers one Bachelors and one master program. It has well qualified, passionate and research oriented faculty. The areas of research include Nanotechnology, Image Processing, Communication, control & optimization using soft computing.

The Department attracts the best of students from all part of India. It has an MOU with various companies that supports interdisciplinary projects. The Department has more than 28 staff members who encourage the students to take up mini projects and participate in various seminars/ paper presentation contests.

AIM OF THE SDP

The main objective of the STTP is to train the students in field of Communication. GSM is a globally accepted standard for digital cellular communications. It aims to provide a comprehensive introduction to GSM and GPRS, describes the services, structure and operation of a GSM mobile network.

- Explain how they support circuit switched voice and packet switched data traffic.
- How roaming is supported for both GSM and GPRS
- Will know the architecture, interfaces and radio link features in GSM systems
- Will know the planning, design and management of GSM networks.

Resource Person

Mr. Vaqas Umair
Senior Technology Manager, Syniverse

Who can attend?

Students from Department of Electronics and Communication Engineering.

DEPARTMENT OF ECE

HKBBK/EC/2019/43

Date: 19-08-2019

CIRCULAR

Department of ECE is organizing a 4 day SDP on "COMPUTER NETWORKS & IT'S APPLICATIONS" in association with **JETKING** for students of V 'A'.

The inaugural function is scheduled on 21st August 2019 at 9 AM at B304. Staff members who are not having classes are requested to attend the inaugural function and also the students of V 'A' are directed to attend the same.

Classes for 5th 'A' will be suspended from 21st to 23rd and on 24th noon of August 2019.

HKBK College of Engineering - NAAC Accredited
Department of Electronics and Communication in Association with Jetking
Four day SDP on "Computer Networks and its Applications"

Day	Date	Time	Topic Covered
Day 1	21.08.2019	08.30-10.15	Basic network concepts, Communication modes, devices used to build the network
		10.15-10.30	Tea Break
		10.30-12.30	Network Standards by OSI
		12.30-01.00	Lunch Break
		01.00-03.00	TCP/IP model
		03.00-03.15	Tea Break
Day 2	22.08.2019	03.15-04.30	Topologies, media access protocols CSMA/CD
		08.30-10.15	TCP/IP services DHCP, DNS, FTP, TELNET
		10.15-10.30	Tea Break
		10.30-12.30	Classful Addressing, Classless Addressing
		12.30-01.00	Lunch Break
		01.00-03.00	Network devices Routers, Switches, Firewalls
Day 3	23.08.2019	03.00-03.15	Tea Break
		03.15-04.00	Virtual LANs
		08.30-10.15	IP Addressing IPV4 & IPV6
		10.15-10.30	Tea Break
		10.30-12.30	Email Configuration
		12.30-01.00	Lunch Break
Day 4	24.08.2019	01.00-03.00	Wireless Configuration, authentication
		03.00-03.15	Tea Break
		03.15-04.30	Wireless Security
		08.30-10.15	Verifying UDP packet through DNS, Access Control List
		10.15-10.30	Tea Break
		10.30-12.30	Network Address Translation, Static, Dynamic and PAT (Port Address Translation)
		12.30-01.00	Lunch Break
		01.00-05.00	Industrial visit to Jetking Sodashtivanagar

DEPARTMENT OF ECE

Student Development Program on COMPUTER NETWORKING in association with JETKING on 21st -24th August 2019.

Venue: Microcontroller lab
PM

Timings: 8:30 AM to 4:10

The Electronics and Communication Department of HKBKCE organized a four day student development program on Computer Networking for 5th semester 'A' section students.

The resource person was a technical expertise from Jerking. The concept of networking was introduced to the students followed by hands on. In that students learnt how the CISCO packet tracer software was used. A hand on to that software was done.

The topics to be covered on each day were pre-scheduled and hence the same were implemented .A positive response from the students was noticed. Test was conducted and the results of the test indicated that the concept of computer networking was successfully delivered to the students.

On the 4th day students were taken to the JETKNG institute and hardware components were shown. Few glimpses of the SDP as shown below.

Chief Patron

Mr. C.M. Ibrahim, Chairman,
HKBKCE, Bangalore.

Patrons

Mr. C M Faiz Mohammed, Director,
HKBKCE, Bangalore.

Chief Advisor

Dr. M S Bhagyashekar, Principal,
HKBKCE, Bangalore

Convener

Prof. Hussain Ahmed, HOD ECE,
HKBKCE, Bangalore

Coordinators

Dr. Maaz Ahmed, Assistant Professor, ECE
Prof. Naazneen M.G, Assistant Professor, ECE
Prof. Mohammed Jehan P, Assistant Professor, ECE
Prof. Shaheen Fathima, Assistant Professor, ECE

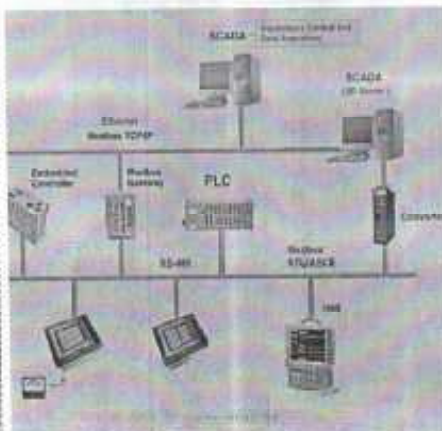

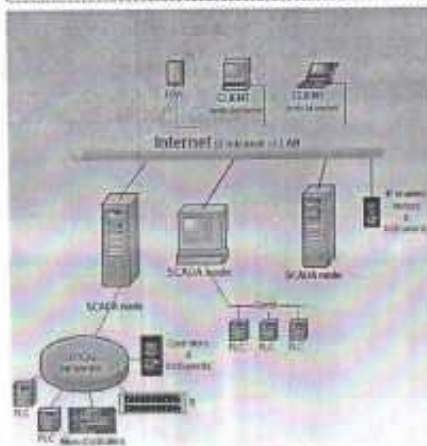

Topics to be covered

- Introduction and Evolution to automation
- Logical Programming
- Application Programs
- Programming PLC
- Introduction & Importance of SCADA in industry
- Introduction to INTOUCH V9.0
- Real time Application in SCADA
- Introduction to HMI and Difference between HMI and SCADA and Applications of HMI in Industry.
- HMI Software Introduction
- HMI Screen Designing Using Real time Applications.

CIRCULAR

Department of ECE is organizing a five day SDP on **"Industrial Automation in PLC, SCADA and HMI"** from 12/3/2020 to 16/3/2020. The registered students of 4th semester are required to attend the same.

Classes will be conducted as per the time table for non participating students.

The compensatory classes, if required for registered students will be conducted on 4th and 5th April 2020.

All the staff members are requested to attend the inaugural function at 9.00 AM on 12/3/2020.

Venue: Seminar Hall, Admin Block.

Coordinators:

1. Dr. Maaz Ahmed
2. Prof. Naazneen M G
3. Prof. Mohammad Jebran P
4. Prof. Shireen Fathima

CIRCULAR

There is a marked difference in the capability of students coming out of the education portal with the expectations of student's performance when they join industry. Though the technical content is same for a given subject, the manner in which it is invoked in the industry is different. There lies the difference between end product of education portal and expectation of industry.

To bridge this gap, industries such as Infosys, Oracle, Wipro etc have formed the concept called "Finishing School Program" wherein the student is made industry ready with the knowledge he already has.

The "Finishing School Program" of IT giant Infosys is called "Campus Connect - Foundation Program". The Campus Connect Program-FP has two components, Technical & Soft skill which makes the students fit into an IT industry. Qualifying in the Campus connect program is as good as qualifying in the entrance test of many IT companies.

The Infosys Campus Connect - Foundation Program starts from **February 2018** and will be completed by end of this semester. The program will be conducted in college working hours. The students who are interested and studying in **Pre-final year & final year** can contact **Prof. A. Syed Mustafa, HOD ISE**, Single Point of Contact [**SpoC**] to register their names after paying the **fee of Rs.200 in Accounts** department. Infosys Campus visit program and The Road Show from Infosys regarding this campus connect – Foundation Program will be scheduled later for the students who register for this program.

Qualifying in Campus Connect Program is the first step for those students who are aspiring to join Infosys.

For more details, visit: <http://campusconnect.infosys.com>

Infosys | Campus Connect

Renewal of Memorandum of Understanding (MOU) Of Campus Connect Program

Infosys and HKBK College of Engineering had entered into a Memorandum of Understanding (MOU) on 06-Nov-07 with respect to enriching the technical education process and to jointly work for enhancing the quality of education imparted to students, faculty and management of selected colleges of the University related to the field of Information Technology (IT). This MoU was subsequently renewed on 06-Nov-10, 05-Nov-12 & 04-Nov-14. The term of MOU will be expiring on 03-Nov-2016. The parties wish to extend this MOU for further period of Two (2) Years, and therefore agree the term of the MOU till 02-Nov-2018.

The Campus Connect MoU has undergone some modifications. The modified version is given along with this. The terms and conditions of the partnership are detailed out in the MoU.

Subject: Infosys Campus Connect Foundation Program 4.0 Certificates

Dear Sir,

Congratulations!! Your college has successfully completed the Infosys Campus Connect Foundation Program 4.0.

We appreciate your leadership and commitment in rolling out the Infosys Campus Connect Program (Generic courses) 4.0 to the students of your college. This is a major milestone in the journey of partnership, and we are sure this program will help the students to be "industry-ready".

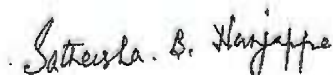

In this regard, we are pleased to share with you some highlights:

1. Number of students who underwent the program: 120(Batches -2)
2. Number of students who are eligible for issue of certificates: 120
3. A detailed set of guidelines is also attached for preparation and issuing of certificates
4. The prizes (books) for the top 3 students of each batch of the training program.

We request you to make arrangement for the distribution of certificates and the prizes to the eligible students in a suitable event.

We are sure we will continue to achieve many more strategic milestones in our Campus Connect journey and look forward to your active participation. We are sure this experience is beneficial to you and your college too

With regards,

Satheesha B.Nanjappa,
Associate Vice President, Education, Training & Assessment.

Report On Soft Skill Training On PTC Creo Spftware (Student Development Programme)

Title :“EIGHTEEN DAYS VALUE ADDED SOFT SKILL TRAINING ON PTC CREO SPFTWARE”.

Expert: SUNIL KUMAR A S
Head-Training,

Ph: +919061914466

Date :14thJAN 2020 – 31stJAN 2020

Venue :HKBK CAD Lab D-Block

Coordinators: Prof. Raahil Azhar Ali

Organized by :Mechanical Engineering Department

Total Participants attended : 25

Details of Participants :Students of 8rd semester A&B sections

Students of 8th semester A&B sections attended the training program on PTC Creo offered by CAD CENTER. An drive by PTC University. Mr. Sunil Kumar A S trained students with live projects from various industries to give students an industrial experience.

The session was very live, Interesting and fun to learn with solving real time problems with alternative solutions to solve the problems arising. Feedback from the students are collected and they are very happy with the session. A Globally excepted certificate is also given to students with unique number on it. With this number students can get placed internationally by PTC University.

STUDENT DEVELOPMENT PROGRAM

ON

COMPUTER AIDED MACHINE DRAWING (CAMD)

Date: 14th – 31st January-2019

Demonstration and Hands on Training on 3D Modeling of Machine parts and assemblies using PTC Creo Software with a Globally excepted certificate. With Creo Parametric , and its extensions, you can create, analyze, view, and share designs downstream using 2D CAD, 3D CAD and parametric and direct modeling capabilities.

Who can attend: Students of 8th Semester interested in Designing and wanting to make carrier in Design and Manufacturing Industries.

Registration Fees: Rs. 3500/- per member

Contact for Registration before 5thAugust 2016:

ENCADD SOLUTIONS is purely based on transforming students to their maximum potential, to make them industry ready. **The founder of ENCADD SOLUTIONS are trained from Dassault, PTC systems and is presently working in this field from last 6 years.**

Interior Designing and Multimedia education with an emphasis on individual guidance. At ENCADD SOLUTIONS, the course content is constantly updated based on changing Industry reality.

We have successfully trained more than 2500 candidates who are working with Air bus, Wipro, HCL, Quest global, Honey well, Weir Minerals, Atlas Copco, Sandvik, Volvo, Bosch and Cap Gemini.

The courses at ENCADD SOLUTIONS have been designed by industry experts to suit the needs of both the students and the college at large. Flexible time schedules and student friendly course design, makes it simple and easy. The course fees are affordable and reasonable keeping in mind that ENCADD believes in hiring the best and branded trainers from reputed institution and industry.
