

HKBK COLLEGE OF ENGINEERING

Department of Information Science & Engineering

Report on Student Development Program on “Software Development Life Cycle “conducted on 10th Aug-2018 Organized by Department of Information Science and Engineering

The Student Development Program on “**Software Development Life Cycle**” was conducted on August 10th 2019, for 2rd year students of Information Science and Engineering at ISE Seminar Hall.

Session 1 :- August 10th 2019: The session was presented by Mr. Kamalanathan, System architect from TCS, Bangalore. The topics that were covered: Basics concept August 10th s of SDLC, Practical knowledge of Waterfall model and spiral model. Real time implementation of SDLC models.

The program helped the students to gain insight of SDLC in Software engineering and enabled them to implement the solutions practically. All the students had an interactive session on the same.

The program concluded thanking the Management, HOD of Information science and Engineering, the Presenter and ISE Dept. Coordinators for their support in making this program successful.

Presenter and Schedule details:

Date	Schedule	Presenter Details
10/08/2019	Session 1: SDLC Concepts .	Mr. Kamalanathan, System architect , TCS,Bangalore.

Relevance to PO's, PEO's and PSO's: Engineering knowledge [PO1], Problem analysis [PO2], Modern tool usage [PO5], [PEO2], [PEO5], [PSO1]

No. of Students who attended the workshop: 60 [3rd semester A and B sections]

Organizing Head: Dr. Syed A Mustafa, HOD-ISE

Coordinators: Prof. P.Devisivasankari, ISE ,Prof. Babina Jennifer , ISE and Prof.Galeebathulla,ISE.

Glimpses of Students Participating in the SDP :
