### MANDATORY DISCLOSURE

Academic Year 2018-2019

- Organizational chart and processes

The organizational structure has chairman at the highest level followed by the Principal and Director at the college level. Chairman and Governing Council take decisions based on the proposals recommended and presented by the Principal and the Director. The proposals are prepared after obtaining requirements from the departments and sections. The department Heads and Section Heads obtain the suggestions for department development from the department staff. After a discussion with the department staff the concerned HOD presents their requirement or suggestions to the Principal. Principal and Director discuss and make a tentative allocation of funds, or recommendation for promotions etc., and then present the same to the Governing Council for further consideration and approval.

- Nature and Extent of involvement of Faculty and students in academic affairs/improvements
- Mechanism/ Norms and Procedure for democratic/ good Governance
- Student Feedback on Institutional Governance/ Faculty performance

The governance is based on democratic decentralized approach. The Head of the Department monitors the working at the departmental level with the Principal as the overall monitoring authority. All development activities at the department level are proposed by the HOD with due consultation with the department faculty. Those proposals are discussed at academic advisory committee and considered for approval.

- Grievance Redressal mechanism for Faculty, staff and students

A faculty member or staff presents their grievance through the HOD of the concerned department. The HOD forwards such letters with his comments to the Principal. The Principal and the Director will discuss and resolve the issue after personal hearing of the staff member. In case of a student, he can represent his/her grievance as indicated above, or he can directly meet the Principal or Director for necessary redressal.
